3rd International Conference on Global & Emerging Trends

University of Reading Campus Complex
EduCity, Iskandar Puteri, Johor, Malaysia

25 – 27 September 2024

INTERNATIONAL CONFERENCE ON GLOBAL & EMERGING TRENDS

ICGET

Theme:

Artificial Intelligence, Automation, Emerging Technologies & Interdisciplinary Integrations

Multidisciplinary

Keynote Speaker:

Assoc. Prof. Dr. Elizabeth Gross
Sam Houston State University
Houston, Texas,
USA

Chet W. Sisk
Futurist & President,
Universal Basic Resources,
Denver, Colorado, USA

Assoc. Prof. Dr. Denise Dillon
Ag. Dean of Research & Associate
Dean of Research Education
James Cook University, Singapore

ABOUT THE CONFERENCE

The rise of Artificial Intelligence (AI) and fast-paced technological advancements is catalyzing a transformation in academia, fostering a shift towards interdisciplinary approaches and necessitating stronger interdisciplinary and industry-academia collaborations. This evolution addresses the complexities of contemporary challenges, where AI's multifaceted applications surpass the capacity of any single discipline.

ICGET2024's visionary theme emphasizes the convergence of AI, and interdisciplinary studies to address future challenges. It invites scholars, practitioners, and educators to explore the potential of intelligent technologies in transforming industries, societies, and educational paradigms. ICGET2024 will foster a platform where participants collaborate in shaping a world where technology and human insight merge to create unparalleled opportunities across every discipline.

BOOK AND JOURNALS

All accepted conference full papers will be published in the conference proceeding and any of the following publications.

- Scopus-indexed book - FREE
- Scopus-indexed journal - APC fees apply
- WoS-indexed book   - FREE
- Ei Compendex & Scopus-indexed journal – APC fees apply

DISCIPLINARY TRACKS : MULTIDISCIPLINARY

The ICGET series recognizes and celebrates interdisciplinarity; they present opportunities for discourse about innovative ideas based on emerging technologies, and the challenges and prospects of current advancement in technology. Considering current trends with Generative AI and other emerging AI-poweredtools, ICGET2024 presents an excellent opportunity to explore, discuss and collaborate to address the current challenges and develop future innovations. The tracks and potential topics will cover various issues related to development, applications, and interdisciplinary systems related to AI across all disciplines.

Full Paper Submission Deadline : 30 July 2024

Early Bird Registration Deadline : 30 July 2024

Normal Registration Deadline : 15 August 2024

PRECONFERENCE SESSIONS
A. Workshops
(see workshop page for more details)

1. Prof. Dr. Teck Yong Eng
Professor of Business Enterprise & Analytics
Head, Henley Business School, University of Reading, Malaysia
"Data Visualization Lab: Interactive Dashboards for Interdisciplinary Collaboration"

2. Ts. Dr. Nur Azlina Mohamed Mokmin
Senior Lecturer, Center for Instructional Technology & Multimedia
University Sains Malaysia, Penang
"Speed Up Academic Research and Writing with Free AI Tools"

3. Dr. Hassan M. M. Abuhassna
Senior Lecturer, Dept of Educational Science, Mathematics & Creative Multimedia
Faculty of Social Science & Humanities
University Teknologi Malaysia, Johor Bahru
"Publish in High-Impact Journals Using Bibliometric Analysis and Systematic Literature Reviews"

4. Dr. Nurul Maziah Mohd Barkhaya
Senior Lecturer, Center for Instructional Technology & Multimedia
University Sains Malaysia, Penang
"Understanding Research Basics: Stepping Out into the World of Academic Research"

B. Doctoral Consortium
Doctoral Consortium is a special session for current and intending research scholars and PhD students to discuss their research (or planned research) and get feedback from senior researchers. The session also provides networking opportunities with participants and lecturers that could lead to useful research support, and potential future collaborations.

REGISTRATION FEE
Journal APC to be paid by authors. See publication page for more details
(https://icget.usm.my/publication/)
Publication in Indexed Books are FREE

Early Bird Rate: 10% Discount - Deadline: 30 July 2024

Categories*	Early Bird	Normal Registration
International Presenter	USD360	USD400
International Perticipant	USD225	USD250
Local Presenter	RM765	RM850
Local Students	RM640	RM700
Local Participants	RM540	RM600

Without Journal Publication
